## EXPERIENCE

### Flutter Developer

#### «Akademnashr»

12/2023 - Present Tashknet, Uzbekistan

##### About the company

- I gained my experience working mainly on one project in this company. It is the main future ePub reader in this project and is currently one of the few futures. I built this future from scratch and it was a great experience for me.

### Flutter Developer

#### Wasaf

06/2022 - 01/2023 Tashkent, Uzbekistan

##### About the company

- I graduated from the internship level to the junior level at this company. I increased my experience by working on several real projects at this company

### Flutter Developer

#### Mohirdev

01/2023 - 12/2023 Tashknet, Uzbekistan

##### About the company

- I went from junior level to middle level in this company. I gained experience working in a number of projects at this company. one of these projects is "Ibrat Academy"

## EDUCATION

### Flutter developer

#### Najot Ta'lim

06/2021 - 06/2022

## SUMMARY

I have been doing mobile app development for 2 years now. During this time, I participated in about 10 projects, most of which I built independently. I intend to gain more experience
